There are no common work activities.

## Tools and Technologies that Both Occupations Have in Common

**Similarity of Focus Occupation to Associated Occupation: 82**

**Focus Occupation: Psychiatric Technicians (29-2053)**  
**Associated Occupation: Health Technologists and Technicians, All Other (29-2099)**

Tools and Technologies	Exclusivity
Blood pressure units and related products	11
Computers	1
Enema administration supplies	31
Industry specific software	1
Medical staff clothing and related articles	17
Medical suction and vacuum products	33
Medical thermometers and accessories	31
Oxygen therapy delivery systems and devices	13
Patient beds and accessories	30
Pulse oximeters	18
Resuscitation supplies	29
Specimen collection and transport containers and supplies	14
Stethoscopes and related products	14
Syringes and accessories	14
Urological supplies	40

Not all positions in these occupations will necessarily use all of the listed tools and technologies. The exclusivity rating is an indication of how unique the tool or technology is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations use that tool or technology.
